**Chapter 1 by Harbour Nolan**

I walked up to Percy Jackson and punched him in the face "What was that for" he ask.

**Chapter 2 by //Megra\\**

"You told me I was special." I say. "You said I was your sister. Poseidon's daughter. I was claimed by Poseidon. You said it was legit."

Percy gently moved my arms down from the defensive stance I had put on. "What are you talking about??"

Tears ran into my eyes. "Percy...I loved you like a brother. I still do."

"What happened Torrey?"

I wiped a tear from my cheek. "Percy, Poseidon isn't my dad. The claiming was false. I'm not your sister."

"What??" Percy blinked. "How's that possible?"

"The Council is still trying to figure it out...Meanwhile, I am moving to a different cabin."

Percy looked confused "Who's your godly parent then?"

"Apollo."
